BRAYDEN PEARCE

Software Developer

022 421 8875 | braydenp114@gmail.com | github.com/braydenp114
linkedin.com/in/braydenkahnerupearce

EDUCATION:

AUCKLAND UNIVERSITY OF TECHNOLOGY

2025 - Present

Bachelor of Computer and Information Science, Major in **Software Development**, Minors in **Artificial Intelligence** and **Digital Services**

Key coursework:
Software Development Practice, Object-Oriented Programming (Java), Operating Systems, Data Structures & Algorithms, Database (SQL), Program Design & Construction

SKILLS:

Technical:

Languages - Java, Python, C, SQL, JavaScript
Tech - Spring Boot, React, AWS (Lambda, DynamoDB, EventBridge, S3), Git

Soft Skills:

Leadership, Communication, Problem Solving, Mentoring

PROJECTS:

Seismic Stream — 2026

Real-time NZ earthquake data pipeline built on AWS Lambda, DynamoDB and EventBridge with a React dashboard. Ingests live GeoNet API data every 5 minutes automatically.

CourtVision — 2026

Built a REST API using Java and Spring Boot integrating with an NBA endpoint to serve live standings, player statistics and team data. Extended with a natural language query layer using Spring AI and OpenAI to enable conversational querying of basketball data.

PROFILE:

Second-year BCIS student at AUT building cloud and backend systems, including a serverless AWS pipeline that streams live NZ earthquake data. Brings 4+ years of team leadership at Woolworths NZ and is working toward a career connecting technology and business. Passionate about creating pathways and advocacy for Māori and Pasifika in tech.

EXPERIENCE:

MULTISKILL TEAM MEMBER **2022 - PRESENT**

Woolworths

- Delivered consistent customer service in a fast-paced, high-volume store over 4+ years, balancing work alongside full-time study.
- Trained and onboarded 10+ new team members, supporting consistent service standards across the store.
- Supervised teams of 5+ during shifts, delegating tasks and resolving customer and operational issues.
- Worked across 5 departments, managing inventory and operational workflows at scale.

EXAM SUPERVISOR **2025 - PRESENT**

NZQA - Pakuranga College

- Managed exams for over 200+ students and was responsible for exam integrity, student compliance and incident management.
- Monitored digital exam dashboards and resolved live technical issues for students under time pressure.

EXTRACURRICULAR:

AUT Computer Science & Engineering Association (CSEA) **Outreach Executive**
• Participated in industry events and technical workshops bridging academic and professional skills.

UOA Devs and Computer Science Society (UOACS) **Member**
• Engaged with UOA student developers and computer science community, attending events, workshops and tech talks

UOA Web Development & Consulting Club **Member**
• Collaborated on web projects and gained exposure to consulting frameworks and client problem-solving

AUT MAPS (Maori and Pasifika in Tech) **Member**
• Connected with peers across STEM disciplines to explore intersections of technology and science

UOA Basketball & Volleyball League, Club Football & Touch **Player**
• Exercised collaborative and problem solving skills under pressure at competitive league level
